

If you have been in recently, you've seen that we have a large selection of gently used, near new, and even new items in our store. These items have all been donated to the store by other members.

We accept almost everything as long as the items are in great shape. That means that items should not be broken, torn, stained, missing parts, or damaged.

Electronic items should be in working condition and should be accompanied by their power cords. Please keep in mind that while an item may still have some use in it, it may not be in good enough condition to be resold. Unlike other thrift stores, we as members pride ourselves in the donations that we give and the items we provide to other members.

When reviewing your items, please keep our guidelines in mind. With that said, here is a list of items that we currently accept at the store:

- Men's, Women's, and Children's Clothing (please keep the season in mind, as we only sell summer clothes from Spring thru Summer and Winter clothing from Fall to early Spring.)
- Furniture (dated furniture isn't a big seller unless you are donating an antique. Flower pattern couches from the 70s or 80s do not sell. Neither does press board furniture.)
- Electronics (VCRs, DVD/CD Players, Video Game Consoles, Stereo Equipment, Microwaves, etc. do very well)
- Appliances (Refrigerators, stoves/ovens, freezers do very well. Please call before bringing one of these in as we do have limited space for appliances at this time.)
- Household Items (dishes, silverware, pots and pans all do very well)
- Collectibles
- Art
- Jewelry
- Hunting/Fishing/Camping Equipment
- Antiques
- CDs/DVDs/VHS/LPs/Video Games in their original packaging/cases do well
- All types of Tools
- Sports Equipment (ski, snowboarding, tennis, football, lacrosse, hockey, golf, motocross/motorcycle items do well)

With all of this there is, of course, the very few items that we DO NOT accept. That list includes the following:

- Televisions (unless they are working FLAT screen models)
- Gym Equipment (not a big seller and the items take up a lot of space)
- Mattresses (unless they are BRAND NEW)
- Home building supplies (lighting, kitchen sinks, toilets, cabinets, doors, etc. do not do well.)

As with any business, our job as members of The Thrift Store is to make sure that the store has high quality items at great prices. These items need to be quickly inventoried and then placed on the sales floor so that other members can purchase your donated items. Your help in making sure that quality items are received is greatly appreciated.

If you would like to schedule a donation pick up please visit us at [http://pickupmystuff.org#!/page\\_contacts](http://pickupmystuff.org#!/page_contacts) or give us a call at [855-917-8833](tel:855-917-8833). Of course you are welcome to drop off donations any day between 10am to 6pm. Please do not leave donations outside our doors after business hours.

If you are out of state and would like to participate, you may send small items (collectibles, antiques, jewelry, etc.) via postal mail. Please include your name, address, telephone and email address on a piece of paper inside the box.
